Follow these steps to create your Membership and enter the competition:

2. Login to ICompete using login details emailed to you upon becoming a member.
3. Upgrade to Premium Membership. You must be a Premium Member before you can enter an event. Premium Membership costs \$150.00. This allows you to compete in all events worldwide for either Season A-B or Season B-A.
4. Once you are a Premium Membership you can enter the competition. You will find the Enter New Event tab on the left-hand side of the HOME screen of the Members Portal. Click on this and use the step by step process to enter the event.

DRUG TESTING & SUPPLEMENT WARNING- You are responsible

Drug testing performance enhancing substances at ICompete Natural events is conducted via WADA standard urine analysis at international labs. Over the past 3 years approx. 80% of our positive contest day tests have occurred because of banned ingredients in USA supplements taken prior or at the event. As a general rule, don't take any supplement 3 days prior to the competition. This will avoid an inadvertent positive test from a substance only banned "in competition" which is mostly the problem we see with pre-workouts supplements. When selected for drug testing please follow the official to the test area (located in another area of the venue). Let the official know if you are competing again soon, we will let you prepare and compete first

Division Eligibility

Please note: Please read and check the division's, qualifications and category rules.

A Maximum of 8 divisions are allowed to be entered.

First Timer

First Timer means you have **never competed before in any federation - ever**. First Timer means this is your first contest. You can enter multiple First Timer divisions in your first contest. Note: First Timer does not mean this is your first time in the division –do not enter a First Timer division if you have competed previously anywhere

Rookie

Rookie is your first year of competing in a specific division. A year is 2 seasons. So, you are a Rookie for Season A and B, or Season B and A

Novice

Entry is eligible to competitors who have not won (placed first) in an Open Division (includes winning an Open Height Class). The Novice divisions suit competitors who are early in their careers or still developing their physique

Momma

You must have had at least 1 child to enter Momma Divisions. We may split height classes if division entries exceed a certain amount. This would be at the discretion of each promoter.

Age Groups

There are many age divisions a promoter may offer 23+, 30+, 40+, 50+, 60+. It is the age you are at the time of the event for these divisions. For e.g. If you are going into the 30+ div and the event is on the 18th April your birth date must be after the event day. Check website for more details.

Opens Classes

Open is the highest level of any particular Division where the best of the best is determined.

To have a chance to win an overall title you must enter in an open class.

Overall, Titles

The Open (Height Class) winners participate for the Overall Title at each event. This means if you want a chance to win the Overall Title you must enter an Open class. You may also enter into additional divisions if you choose. You can NOT enter Opens or any extra divisions on the day of the Event.

ICN Pro League

The ICN PRO League has been created due to the rapid increase and quality presented in ICN Amateur events. The ICN PRO League brings together the BEST OF THE BEST from all around the world to compete on a National and International platform to earn prize money through their efforts in selected ICN PRO Events.
